Visit our guide at libguides.wmich.edu/impact to explore more resources for citation analysis and journal impact.

Select Find databases on the library homepage wmich.edu/library to access a database.

Click on the Author Search tab to search for a profile by name, research domain, or organization.

You can refine the results using the authors facet in the sidebar if they appear inaccurate. Click Create Citation Report.
You can save to an Excel File, see your h-index, and your citation trends.

The report contains data on your citations for individual works. You can remove errors with the checkboxes and download the data in Excel.
